Dr. Janice Joo, MD

Board Certified in Psychiatry & Neurology

Board certified and highly specialized in Psychiatry and Neurology, Dr Joo is an accomplished physician with more than 5 years of clinical and medical-legal experience.

EDUCATION

- **Chicago Medical School, Rosalind Franklin University of Medicine and Sciences** (2012-2016)
Doctor of Medicine
- **Pomona College in Claremont, CA. Bachelor of Arts in molecular biology** (2007-2011)
University of Edinburgh, UK. Undergraduate study abroad program

MEDICAL TRAINING

- **Internship at Advocate Lutheran General Hospital in Park Ridge, IL** (2016-2017)
Internal Medicine
- **Education Chief University of Southern California in Los Angeles, CA** (2017-2020)
Neurology Residency (2019-2020)
- **Clinical Neurophysiology and Epilepsy at University of California, Los Angeles** (2020-2022)
Fellowship

EMPLOYMENT

- **West Coast Neurology, Epileptologist and General Neurology** (2022- Present)

LICENSURE AND BOARD CERTIFICATION

- State of California, Medical License Certificate A154893 (2018-Present)
- **American Board of Psychiatry and Neurology,** (2020)
Certification in Neurology, Certificate number 63038
- **American Board of Psychiatry and Neurology, Pending** (2021)
Clinical Neurophysiology Certification Examination scheduled for (Nov 1, 2021)

RESEARCH EXPERIENCE

- **Involved in research at the West LA VA** (2021)
Principal Investigator: Dr. James Chen, MD PhD
Grant title: "The Genetic Factor and Altered EEG Network in the Development of Post-Traumatic Epilepsy", funded by DOD (CDMRP)
- **Involved in research at USC evaluating EEG patterns in the neurologic ICU** (2017-2020)
- **National Institutes of Health (NIH) Postbaccalaureate**
Intramural Research Training Award at the National Institutes of Drug Abuse (2011-2012)
- **Pomona College Student Research** (2008-2011)
Thesis: "Mechanisms of Meiotic Resetting in *S. cerevisiae*"
Howard Hughes Medical Institute grant

CLINICAL SKILLS

- Routine EEG Interpretation
- Critical care long term EEG interpretation
- Ambulatory EEG interpretation

- Programming vagus nerve stimulator and responsive neurostimulator for epilepsy intervention
- Telemedicine

ACTIVITIES

- American Epilepsy Society, National Fellows Program (2021)
- American Clinical Neurophysiology Society, Fellow (2020-2021)
- Neurology Chief Resident at USC, Education 2019-2020
- Johns Hopkins Center for Talented Youth at Loyola Marymount University, CA (2013)
- Member of the student neurology interest group (2012-2016)
- Volunteer at the student run clinic at Rosalind Franklin University Health Services (2012-2016)

MEMBERSHIPS

- Member of American Academy of Neurology (2017-present)
- Member of American Clinical Neurophysiology Society 2020-present)
- 2020-present Member of American Epilepsy Society (2020-present)

ACLS/BLS

- Current ACLS and BLS certifications, renewed September 2021

SELECTED PRESENTATIONS

Joo J. *A case of refractory temporal lobe epilepsy: Discussion of the epilepsy monitoring unit.* May 2021. West LA VA Medical Center, Los Angeles, CA. Invited Grand Rounds Speaker.

Joo, J. *Complications of coccidiodal meningitis,* April 2020. USC Neurology Grand Rounds, Los Angeles, CA.

Invited Grand Rounds Speaker.

Joo, J., Beydoun S. *Case of Stiff Person Syndrome*, November 2017. USC Neurology Grand Rounds, Los Angeles, CA. Invited Grand Rounds Speaker.

Joo, J. (2018, July). *Novel neurotransmitter abnormalities in movement disorders*, Children's Hospital of Los Angeles (CHLA), Los Angeles. Pediatric Neurology Grand Rounds.
