Dr. Mark I. Singer, MD, FACS, QME
Board Certified in Otolaryngology

Articulate, Board certified Otolaryngologist with more than 50 years of clinical expertise and 1 year of medical-legal expertise. Highly specialized in diseases of the ears, nose, and throat, hearing, head and neck melanoma, skin cancer face and neck, laryngeal cancer, throat cancer, tongue cancer, voice disorders, plastic & reconstructive surgery of the head and neck, Intraoperative radiation therapy for head and neck cancer, telemedicine

EDUCATION

- **University of Michigan, Ann Arbor, MI (1966)**
Bachelor of Arts with High Distinction
- **College of Physicians & Surgeons, New York, NY (1970)**
Doctor of Medicine, MD
- **Rush-Presbyterian St. Luke's Medical Center, Chicago, IL (1971)**
Internship, Surgery
- **Northwestern University McGaw Medical Center, Chicago, IL (1971)**
Residency, Pathology
- **Northwestern University McGaw Medical Center, Chicago, IL (1972)**
Residency, Surgery
- **Northwestern University McGaw Medical Center, Chicago, IL (1975)**
Residency, Otolaryngology – Head and Neck Surgery
- **Northwestern University McGaw Medical Center, Chicago, IL (1976)**
Fellowship, Head and Neck Surgery

ACADEMIC APPOINTMENTS

- Indiana University School of Medicine, Assistant Professor of Otolaryngology (1976 to 1980)
- Northwestern University School of Speech, Adjunct Associate Professor of Speech and Language Pathology (1984)

- University of California, San Francisco School of Medicine, Department of Otolaryngology-Head and Neck Surgery, Professor and Vice-Chairman (1991 to 2004)
- University of California, San Francisco School of Medicine, Chief, Head and Neck Surgery Division (1991 to 2006)
- UCSF Mt. Zion Hospital, Chief, Department of Otolaryngology-Head and Neck Surgery (1991 to 2006)
- University of California, San Francisco School of Medicine, Robert K. Werbe Distinguished Professor of Head and Neck Cancer (2002)
- University of the Pacific, Arthur Dugoni School of Dentistry, Faculty (2006 to present)
- California Pacific Medical Center San Francisco, Melanoma Treatment Center and Tumor Board, Member (2008)
- Cedars-Sinai Head and Neck tumor Board, Invited Attendee (2022)

LICENSURE AND CERTIFICATION

- American Board of Otolaryngology, Diplomate
- National Board of Medical Examiners, Diplomate
- State of California Board Certified Medical License
- State of Florida Board Certified Medical License
- State of Illinois Board Certified Medical License
- State of Indiana Board Certified Medical License

PROFESSIONAL MEMBERSHIPS

- American Medical Association (1976)
- Indiana State Medical Association (1976)
- American Academy of Otolaryngology-Head and Neck Surgery, Fellow (1977)
- American College of Surgeons, Fellow (1981)
- American Society for Head and Neck Surgery, Fellow (1982)
- American Academy of Facial Plastic and Reconstructive Surgery, Fellow (1982)
- Triological Society, Fellow (1983)
- American Laryngologic Association, Fellow (1988)
- American Society of Clinical Oncology, Member (2003)
- International Sentinel Lymph Node Society, Founding Member (2004)

SERVICE TO PROFESSIONAL ORGANIZATIONS

- Guest Reviewer, Annals of Otolaryngology, Rhinology & Laryngology (1988)
- American Board of Otolaryngology Task Force for New Materials (1980 to 1984)
- Nominating Committee American Laryngologic Association (2004)

HOSPITAL APPOINTMENTS

- Indiana University Hospitals Indianapolis, IN (1976 to 1980)
- Veteran's Administration Hospital Indianapolis, IN (1976 to 1980)
- Methodist Hospital of Indiana Indianapolis, IN (1980 to 1990)
- University of California, San Francisco Hospitals San Francisco, CA (1991 to 2006)
- St. Mary's Hospital and Medical Center San Francisco, CA (1994 to 1996)
- California Pacific Medical Center San Francisco, CA (2006 to present)
- Sutter Novato Community Hospital Novato, CA (2016 to present)

HONORS AND AWARDS

- Bachelor of Arts with High Distinction University of Michigan Ann Arbor, MI (1966)
- Phi Beta Kappa Society University of Michigan Ann Arbor, MI (1966)
- Olin E. Teague Award of the United States Veterans Administration Washington, D.C. (1980)
- Honorary Colonel of the Commonwealth of Kentucky (1981)
- Sigma XI Research Society (1982)
- Benjamin Franklin Literary and Medical Society Honor Award of the Saturday Evening Post (1982)
- American Academy of Otolaryngology-Head and Neck Surgery President's Award for Best Scientific Exhibit (1983)
- American Academy of Otolaryngology-Head and Neck Surgery Honor Award (1986)
- The Laryngeal Cancer Association Honorary Fellow (1988)
- University of California, San Francisco Department of Otolaryngology Head and Neck Surgery ROGER BOLES AWARD for Excellence in Full Time Faculty Teaching (1993)
- American Laryngologic Association JAMES NEWCOMB AWARD LIFETIME ACHIEVEMENT (1995)
- University of California, San Francisco Department of Otolaryngology Head and Neck Surgery ROGERS BOLES AWARD for Excellence in Full Time Faculty Teaching (1997)
- Honorary Member of the Japanese Broncho-Esophogological Society (2001)
- University of California, San Francisco Department of Otolaryngology Head and Neck Surgery ROGER BOLES AWARD for Excellence in Full Full Time Faculty Teaching (2001)
- University of California. San Francisco Department of Otolaryngology Head and Neck Surgery FRANCIS SOOY AWARD for Clinical Excellence in Full Time Faculty Teaching (2002)
- ROBERT K. WERBE DISTINGUISHED PROFESSORSHIP IN HEAD AND NECK CANCER of the University of California, San Francisco (2002)
- BRYAN HEMMING FELLOWSHIP IN HEAD AND NECK SURGERY established in honor of Mark I. Singer, M.D.,F.A.C.S. (2003)
- DONALD BRODY AND TOBY MICHAELSON FELLOWSHIP IN MELANOMA, established in honor Mark I. Singer, M.D.,F.A.C.S. (2004)
- America's Top Doctors for Cancer (2005)
- International Association of Laryngectomees Lifetime Achievement Award (2005)

Phase II Multi-Institutional Trial of Targeted Supradose Cisplatin Chemoradiation for Stage IV Squamous Cell Carcinoma of the Head and Neck (UCSF)

Industry Collaboration Development Team for Mobile Electron Accelerator UCSF Prototype for the Mobetron

Development Program for the University of California, San Francisco At the bequest of Mr. Robert K. Werbe the Distinguished Professorship in Head

And Neck Cancer was established in 2002 with a gift of \$2.5 million dollars honoring Mark I. Singer, M.D., F.A.C.S.. The intent of the gift was to perpetuate at UCSF the work of Dr. Singer for the treatment and rehabilitation of the head and neck cancer Patient.

Mr. Bryan Hemming endowed the Head and Neck Cancer Fellowship at the University of California, San Francisco for the training of post graduate fellows in surgery of the head and neck. The endowment was established in the honor of Mark I. Singer, M.D.,F.A.C.S. in 2003.

Mr. Donald Brody and his wife, Toby Michaelson endowed the Melanoma Fellowship at the University of California, San Francisco with a gift of \$ 250,000.00 to support the training of post graduate fellows for the treatment of melanoma. Co-sponsored by Mark I. Singer, M.D.,F.A.C.S. and Mohammed Kashani-Sabet, M.D., director of the Melanoma Treatment CenterMr. Bryan Hemming, on his death in 2017, left a legacy contribution of \$ 8,000,000 to the California Pacific Medical Foundation for the establishment and development of the Cancer Center at this institution. This was in gratitude for the care he received for the successful treatment of head and neck cancer. It

built on his earlier gift of \$500,000.00 for the establishment of the Bryan Hemming Infusion Center at the California Pacific Medical Center in 2006, honoring the work of Mark I. Singer, M.D., F.A.C.S.

Invited Lectures

1977 Airway Clearance and Hemorrhage Control Craniofacial Course, Indiana University

1977 Surgical-Prosthetic Approaches to Vocal Rehabilitation of the Laryngectomee 3rd Annual Symposium of the Laryngectomized Veterans Administration Hospital, Denver, CO

1977 Hoarseness and Dysphagia Diagnosis and Management Family Practice refresher course, Indiana University

1977 Masses in the Head and Neck Illinois Ophthalmology and Otolaryngology Society Champaign, IL

1978 Voice Restoration after Total Laryngectomy 3rd International Surgical-Prosthetic Voice Study Group Buffalo, NY

1978 Thyroid Surgery Head and Neck Anatomy and Clinical Otolaryngology Course Indiana University

1978 Pediatric Otolaryngology Indiana State Medical Association Merrillville, IN

1978 Surgical and Radiation Factors that may Interfere with Esophageal Speech Acquisition 4th Annual Symposium on Vocal Rehabilitation of the Laryngectomized Veterans Administration Hospital, Indianapolis, IN
